To Fire Sprinkler Contractors:

In an effort to assure the best quality of life safety for the citizens in the State of Alabama, this office is requiring that you send to us a copy of all inspection reports that your company does anywhere in the state where deficiencies are noted.

This will aid in the enforcement of this very important code requirement and enhance public safety.

If you should have any questions pertaining to this matter please contact Jeff Thompson at (334) 241-4166 or email Jeffrey.Thompson@insurance.alabama.gov. Thank you for your cooperation and assistance in this matter.
